SHOOTS FORMER JUDGE, NORTHERN UTAH TOWNS THEN KILLS HIMSELF

of Laramie, Wyo., Central Figure in Tragedy.

Special to The Tribune. LARAMIE, Wyo., Oct. 23.-William

Lepher, for thirty years a resident of this city, this afternoon shot and seriously wounded C. W. Bramel, an attorney and former Judge of the District court, a moment later killing himself by sending a bullet into his brain.

Bramel has three bullet holes through his face, both jaws are broken, and his organs of speech are affected, but his physicians believe he will recover.

Lepher some months ago lost a suit in the courts of this State, some propery he owned having been sold under justice of the peace, H. Bullen, Sr. mortgage. He went to Bramel's office today, evidently in an effort to get him to bring suit for the recovery of the property, the shooting following. Murdock Matheson heard the three shots and went upstairs to Bramel's of-

fice to investigate. At the head of the stairs he met Lepher starting down When asked what he had been doing, he When asked what he had been doing, he told Matheson he did not know, and turning back, shot himself, Mathesou witnessing the deed. Bramel's son inlaw, Mayor J. B. McKee, died last December and his grandson, Louis Delaro, was burned to death in a Pullman car while on his way home to Washington from attending the funeral. The wife of Bramel secured a divorce from him last September.

W. H. Bramel of Salt Lake is a nephew of Judge Bramel.

a bullet into his brain as he was leaving the building.

W. H. Bramel stated that he had not heard of the shooting, and could not attribute any motive for the attempted homicide. "I have not been in Laramie in over eight years," said he, "but when I was there I saw by the Wyoming records that this man Lepher was being sued by some parties for the purpose of making him liquidate some indebtedness incurred in California. The case dragged along for a long number of years, during which time this man Lepher set up all kinds of fraud."

Mr. Bramel said that he did not know whether his uncle was presiding as judge at the time of the settlement of the case or not, but that in addition to having served one term on the bench he was a member of the Wyoming Legislature, aftheld many political positions. He stated that his uncle is now about sixty-ife years old.

It is believed, however, that a good jury can be secured. The population of the county consists mainly of farmers and

NEW BAPTIST CHURCH PLANS ARE ADOPTED

At a meeting of the members of the First Baptist church, Wednesday evening, the plans for the new church, which is to be built immediately at Second South and Fourth East streets, were adopted, after a protracted session. The new building will be 90x120 feet in dimensions. It will consist of a basement and a main floor. One of the features of the auditorium on the main floor will be the baptistry.

The building will be constructed of red brick. It is estimated that the cost will be about \$40.000. Of this amount, about \$25,000 already has been secured by the sale of the ground upon which the present church stands. Members of the church have pledged \$7500. Besides this amount, a good sum is expected to be realized from the sale of property owned by the church on First South. It was announced that the home missionary board of the Baptist church, which holds a gift mortgage on the church property in Salt Lake amounting to \$13,000 had cancelled the document.

Kidney Disease Sapping the American Nation?

A Word of Warning-and a Remedy Modern conditions of living in America are said to be increasing Kidney, Bladder and Rheumatic Ailments at such a rapid rate that the public health

is threatened. To meet the situation it has been pro-posed that the newspapers of the coun-try give wide publicity to Dr. Flood's prescription not only as being the fin-est remedy for these ailments known but one in which the people can place perfect confidence, coming as it does, from such eminent medical authority.

This is a practical suggestion that should result in the relief of a vast amount of suffering and we take pleasure in being able to help the idea by giving the doctor's famous prescription in full:

"The Time, the Place, and the Girl," is designated as a "comedy with music," not a "musical comedy." This classification implies that it has a plot and characters in it, which it has, and to a degree of excellence not offen found even in straight plays. The story has to do with Tom Cunningham, a wild young scamp, who gets into trouble with Boston card sharps, and is forced to flee to a rest cure in the mountains of Virginia to escape arrest. He is accompanied by his pal "Happy" Johnny Hicks, a square young gambler, who is on the level with everybody but himself, and who falls in love with a pretty trained nurse at the sanitarium. Many funny complications are formed when all the guests of the "cure" are quarantined. It comes to the Salt Lake Theater on Monday evening for four performances.

SALESMEN OF Y. M. C. A. HEAR THREE ADDRESSES

The salesmen gathered at the Y. M. C.

A. last night were treated to a double portion of addresses at the close of the regular class hour. Mr. O. R. Sterling of San Francisco, Mr. E. M. Syfred of Philadelphia and Mr. O. San Groshell of Salt Lake City assisted Mr. John D. Spencer most ably in presenting some of the possibilities of salesmanship.

Mr. Sterling was the principal speaker of the evening, his topic being "The Possibilities of the Road." His remarks were full of suggestions for all salesmen and were heartly received.

Mr. Sterling illustrated many of his points by relating some personal experiences and observations gathered in the cleven years of active salesmanship in the Rocky mountain and coast regions. At the close of his address, Mr. E. M. Syferd of John D. Morris company, Philadelphia, gave a brief address on the "Triangular Relation in Salesmanship; the House, the Salesman, the Customer." He aptly illustrated his points by blackboard drawings. Mr. Oscar Groshell of the National Cash Register company also addressed the salesman, calling artention to the wide difference between speciality and general salesmanship. He likewise expressed great expectation from the course of salesmanship as being promoted by the Y. M. C. A.

The next meeting of the course will occur Wednesday, October 30, at the Y. M. C. A. Duilding, after which most of the sessions will be held in the various stores.

Flippin, assistant general freight and traffic manager of the Missouri Pacific, arrived here, and went over the same ground as their predecessors, giving special attention to the situation at Bingham and the smelters, and concluding their visit by a trip over the

Western Pacific as far as Shafter, Nev. Mr. Ridgway said that while the Den-ver & Rio Grande was crowded with busiver & Rio Grande was crowded with business, it was being put in better shape than heretofore to handle the traffic demands made upon it. Five hundred new freight cars are being put into service. Mr. Ridgway let it be understood that a vast amount of work would be done in this vicinity. Asked if work on the passenger depot would be continued without interruption, he replied that it had been somewhat slow, but now that the labor conditions were growing better the work would be prosecuted with increased force.

Mr. Ridgway recognized that the finan-cial condition looked serious, but he did not think anything like a panicky condi-tion would become general.

SIMPLE ACTION ENGINES WILL BE PUT IN USE

It has been decided by the mechanical department of the Denver & Rio Grande railroad to substitute the simple action for the compound locomotive. The simple action engine is more easily repaired, and this, with other advantages that are claimed for it, will more than offset the greater power of the compound in ascending steep grades.

Dr. Decatur D. Dennis was one of the first physicians to follow out the germ theory in skin diseases. Then he discovered that by mixing oil of wintergreen with other soothing agents he had a liquid preseription which killed the germs and cured the awful itch, leaving the skin white and smooth. Since that time this D. D. Prescription has been the standard remedy for skin diseases.

time this D. D. Prescription has been the standard remedy for skin diseases, just as D. D. Soap is the standard high grade skin soap. The first few drops of D. D. B. give instant relief from the terrible itch and from the frightful burning of the dis-eased skin. So reliable is this D. D. D. remedy that hundreds of physicians pre-scribe it. It is a wash as this as water scribe it. It is a wash as thin as water and as mild and as pure, which is applied to the diseased portion of the

skin.
Mrs. Frances Richmond of Milton,
Kentucky, writes: Trimble county, Kentucky, writes:
"My little girl's fingers were sore al most to the bone from Eczema. I used part of the sample bottle of D. D. D. Prescription received from you and now they are well. It is a wonderful skin

remedy."

We carefully investigated this D. D. D. Prescription before recommending to our neighbors and patrons, and a ter a long experience we are more than ever convinced of its wonderful merits. DRUEHL & FRANKEN.
